FULL SPECTRUM  
RGB LIGHTING

Supercharge and illuminate your setup with PowerBrix-GaN240 by Promate, the ultimate charging solution that blends cutting-edge technology with stunning aesthetics. Featuring GaNFast™ technology, it delivers ultra-efficient performance through triple 3250W UK AC sockets, a blazing-fast PD140W USB-C port, and three additional USB-C ports, allowing you to charge up to 7 devices simultaneously. Its compact design fits seamlessly into any workspace, while RGB lighting with 11 vibrant modes adds a stylish touch, especially in a gaming setup. Engineered with adaptive fast charging, overcharging protection, and automatic voltage regulation, PowerBrix-GaN240 ensures your devices are powered safely and efficiently.

## GaNFast™ Gallium Nitride Technology:

Experience fast and efficient charging with GaN-Fast™ technology, providing more power with less heat, enabling ultra-compact design and exceptional performance.

## Triple 3250W UK AC Sockets:

Power multiple devices at once with three high-performance UK AC sockets, each delivering 3250W for reliable, safe power for your desktop setup or home office.

## PD140W USB-C Port:

Charge your most demanding devices with the PD140W USB-C port, offering ultra-fast charging speeds for laptops, tablets, and other high-powered electronics.

## PD100W USB-C Port:

For powerful charging of your devices, the PD100W USB-C port ensures rapid power delivery to phones, tablets, and laptops, keeping you charged and ready.

## Specifications

Input:	AC 100-240V~50/60Hz, 3A MAX
AC Socket Output:	110-250V/13A, 3250W
USB-C1 Output:	5V-9V-12V-15V/3A, 20V-28V/5A, PD 140W
USB-C2 Output:	5V-9V-12V-15V/3A, 20V/5A, PD 100W
USB-C3 Output:	5V-9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A, PD 30W
USB-C4 Output:	5V-9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A, PD 30W
Total Output:	DC 240W, AC 3250W
RGB Modes:	11 Modes
Cable Length:	3m

## Dual PD30W USB-C Ports:

Keep your gadgets powered with the dual PD30W USB-C ports, perfect for smartphones, tablets, or smaller electronics, ensuring fast and efficient charging.

## RGB Lights with 11 Modes:

Customize your workspace or gaming setup with RGB lighting, featuring 11 dynamic modes to match your mood or environment, adding a touch of colour to your charging hub.

## Compact & Space-Saving Design:

Designed to fit seamlessly into any space, the PowerBrix-GaN240's compact design ensures you can charge multiple devices without taking up unnecessary room.

## Comprehensive Safety Features:

With overcharging, voltage regulation, and overheating protection, the PowerBrix-GaN240 keeps your devices safe. It prevents damage, ensures optimal power delivery, and monitors temperature for efficient charging.
